**Mike Howard, Market  
President and CEO**

At **North Alabama Medical Center/Shoals Hospital**, we are committed to providing high-quality care close to home and making meaningful investments to support the overall well-being of our region. Our dedicated team is driven by our mission of *making communities healthier*,<sup>®</sup> and we aim to deliver compassionate, accessible care to all our patients and their families. We are proud to not only be a leading provider of healthcare services, but also a vital economic engine and a trusted partner for the community we call home.

With the support of Lifepoint Health and community partners like you, we continue to advance our mission and create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work. We look forward to serving our neighbors today and for generations to come. Thank you.

## 2024 Community Benefits

### Added 16 employed providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in critical care, pulmonology, general and vascular surgery, electrophysiology, neurosurgery, internal and hospital medicine and gastroenterology.

### Invested nearly \$6.7 million in capital improvements

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included an MRI replacement and a 3D mammography machine for Shoals Hospital.

### Distributed a payroll of \$142,115,422 to approximately 1,860 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and services.

### Donated nearly \$102.8 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

### Paid \$29,846,669 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

# Our Community Impact

NAMC performed its 100,000th cath procedure in October.

NAMC hosts a breast cancer awareness booth on Florence First Fridays.

Rachna Valvani, MD, (left) and Priyanka Kapoorfor, MD, represented North Alabama Medical Center at the AAPI conference in Huntsville.
